

David S. Howell, M.D. in partnership with Biomedical
Communications proudly presents an
ART EXHIBIT AND SALE
in support of United Way

Dr. David S. Howell, professor of Medicine at the University of Miami Miller School of Medicine since 1967, is founder of its Arthritis Division, an international expert in the mineralization of cartilage, and author of hundreds of textbook chapters and journal articles. Dr. Howell is also an acclaimed painter of the majestic and passionate sea, from Gloucester to Key Largo, who has generously agreed to support United Way with artist-approved, studio-quality prints of his work.

Beginning **October 11, 2005** and continuing through **November 22nd**, Dr. Howell's work will be on display in Calder Library's first floor atrium. You are invited to view the framed and/or matted samples of his magnificent seascapes, **choose from these 37 prints** for your personal collection or as gifts during the upcoming holiday season, and support United Way. To get a preview of the images please visit the new Howell Gallery at <http://calder.med.miami.edu/biomed/howell/index.htm>

Dr. Howell will be in attendance mid-day on October 11th, and you can take the opportunity to meet the artist and to greet old and new colleagues and friends.

This is truly a once in a lifetime opportunity you will not want to miss!

All purchasers will also be entered in a drawing to **win a complimentary Sunday Champagne Brunch** for two (2) guests at the Rusty Pelican Restaurant.
