

CURRICULUM VITAE MARIO J.SALDANA M.D.

1. PERSONAL

Name: Mario J. Saldana, M.D.

Email: SaldanaLungPathology@yahoo.com

Positions: Professor of Pathology (Emeritus), University of Miami. Medical School, Miami, Florida (1977-1994).

2. HIGHER EDUCATION

Pre-Medical Studies, San Marcos University, Lima, Peru (1951-1953);
Bachelor of Science, 1953.

Medical School, San Marcos University, Lima, Peru (1953-1959); Medical
Doctor, 1960.

3. POST-DOCTORAL TRAINING

Rotating Internship, San Marcos University Hospitals, Lima, Peru (1959-
1960).

Assistant Pathologist, Department of Pathology, San Marcos University
Medical School, Lima, Peru (1960-1963).

Post-Doctoral Fellow, Department of Pathology, Yale University School of
Medicine, New Haven, Connecticut (1963-1965).

Post-Doctoral Fellow In Cardio-Vascular Pathology, Hektoen Institute for
Medical Research, Cook County Hospital, Chicago, Illinois (1965-1966).

Research Associate, High Altitude Research Institute, Peruvian University
Cayetano Heredia, Lima, Peru (1966-1969).

Teaching Fellow-Department of Pathology, Massachusetts General
Hospital, Boston, Massachusetts (1969-1970).

4. BOARD CERTIFICATIONS AND LICENSURES

Educational Council for Foreign Medical Graduates (ECFMG) (1961).

Pennsylvania State Board of Medical Licensure (1971).

American Board of Pathology (Pathologic Anatomy) (1971).

Florida Board of Medical Examiners (No. 33391) (1977-Current).

5. PROFESSIONAL EXPERIENCE

Instructor, Department of Pathology, San Marcos University Medical School, Lima, Peru (1961-1963).

Teaching Fellow, Department of Pathology, Yale University School of Medicine, New Haven, Connecticut (1963-1965).

Research Fellow in Cardiovascular Pathology and Congenital Heart Disease, Hektoen Institute for Medical Research, Chicago, Illinois (1965-1966).

Research Associate, Laboratory of Pathologic Anatomy, High Altitude Research Institute, Peruvian University Cayetano Heredia, Lima, Peru (1966-1969).

Teaching Fellow, Department of Pathology, Harvard Medical School, Boston, Massachusetts (1969-1970).

Assistant Professor of Pathology, University of Pennsylvania Medical School, Philadelphia, Pennsylvania (1970-1974).

Attending Surgical Pathologist, Hospital of the University of Pennsylvania, Philadelphia, Pennsylvania (1970-1974).

Associate Professor of Pathology, Thomas Jefferson University School of Medicine, Philadelphia, Pennsylvania (1974-1977).

Attending Surgical Pathologist, Thomas Jefferson University Hospital, Philadelphia, Pennsylvania (1974-1977).

Professor of Pathology, University of Miami School of Medicine, Miami, Florida (1977- 1994).

Attending Surgical Pathologist, Jackson Memorial Hospital, Miami, Florida (1977-1994).

Director, Electron Microscopy Laboratory, Jackson Memorial Hospital, Miami, Florida (1982-1984).

Consultant Pathologist, Bascom Palmer Eye Institute - Anne Bates Leach Eye Hospital, University of Miami School of Medicine, Miami, Florida (1977-1994).

Attending Pathologist, Cedars Medical Center, Miami, Florida (1995).

OTHERS:

Consultant Pathologist, Veterans Administration Hospital of Philadelphia, Pennsylvania (1970-1977).

Consultant Pathologist, Philadelphia General Hospital, Philadelphia, Pennsylvania (1970-1975).

Visiting Lecturer, Department of Pathology, Rutgers Medical School, Piscataway, New Jersey (1974-1977).

Consulting Pathologist, Joseph P. Davis Medical Examiner's Office, Miami, Florida (1979-1994).

Consulting Pathologist Cedars Medical Center, Miami, Florida (1994-2000).

Private Pathology Consultations 2002-2006.

6. CURRENT AND PAST TEACHING RESPONSIBILITIES

Training of residents in Surgical and Autopsy Pathology at Jackson Memorial Hospital, Miami, Florida (1977-1994).

Teaching of Pathology to medical students and residents at the University of Miami School of Medicine (1977-1994).

Bi-Weekly Pulmonary Pathology Conference held jointly with the Department of Medicine at Jackson Memorial Hospital (1977-1994).

Weekly Lung Cancer Conference held jointly with Departments of Surgery and Medical Oncology at Jackson Memorial Hospital (1977 -1994).

Panelist for the Professional Improvement Program on Lung Pathology, American College of Pathologists (1986-1989).

Trustee, Society of Pulmonary Pathology, USA (1998-).

7. THESIS AND DISSERTATION ADVICE (NOT AMONG DR. SALDANA'S PUBLICATIONS).

Kadar K: The human placenta at high altitude and at sea level. Thesis. University Cayetano Heredia, Lima, Peru, 1969.

Carmelino ML: Angiographic characteristics of the coronary circulation at sea level and at high altitudes. Thesis, University Cayetano Heredia, Lima, Peru, 1969.

Salcedo R: The small coronary vessels of the high altitude heart. Thesis, University Cayetano Heredia, Lima, Peru, 1969.

Cassinelli M.T.: Pulmonary vascular changes in high altitude children with patent ductus arteriosus. Thesis, Cayetano Heredia Medical School, Lima, Peru, 1970.

8. ADMINISTRATIVE AND COMMITTEE RESPONSIBILITIES

Member of the Latin-American Affairs Committee, University of Miami School of Medicine (1987-1990).

Member of the Library Committee, University of Miami School of Medicine (1987 - 1989).

Member of Cancer Committee, Cedars Medical Center, Miami, Florida (1996-1997).

9. HONORS, AWARDS, AND DISTINCTIONS

Eleventh William Barris McAllister J. Memorial Lecture, April 25, 1990; subject: Pulmonary Vasculitis, Yale University, New Haven, Connecticut.

High Life Poses Lung Problems. Peruvian pathologist finds that persons living in mountainous regions often develop pulmonary anomalies. Medical World News vol 7, No. 13, April 8, 1966.

U.M.A. Best Teacher Award presented by graduating class of 1974, University of Pennsylvania Medical School, May 20, 1974.

Panelist, Pulmonary Pathology Specialty Conference, Sixty-eighth Annual Meeting of the International Academy of Pathology, San Francisco, California, March 7, 1979.

Visiting Professor, National Institute of Cardiology of Mexico, Mexico City, May 1-15, 1979.

Director of Seminar on Lung Pathology, XV Latin American Congress of Pathology, San Jose, Costa Rica, December 1-6, 1985.

Moderator, Pulmonary Pathology Section, X1 Annual Review and Recent Practical Advances in Pathology, University of Miami School of Medicine and University of Florida College of Medicine, Miami, Florida, January 1924, 1986.

Lecturer and Panelist at the Internal Colloquy on Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract honoring Dr. F. Wegener, Mayo Clinic, Rochester, Minnesota, May 7-9, 1986.

Guest Faculty at "Seminar in Pulmonary and Mediastinal Diagnosis." Armed Forces Institute of Pathology - American Registry of Pathology, Washington, D.C.. October 6-9, 1986.

Guest Faculty at the Second Annual Course on Current Concepts in Pulmonary Pathology, Harvard Medical School at the Massachusetts General Hospital, Boston, Massachusetts, October 20-24, 1986.

Guest Lecturer, Yale University School of Medicine Department of Pathology, June 19, 1987; subject: Experimental Pulmonary Hypertension.

Faculty, 13th Annual Review and Recent Practical Advances in Pathology Meeting of the University of Miami School of Medicine and the University of Florida College of Medicine, Fontainebleau Hilton Hotel, Miami Beach, Florida, January 31, 1988.

Participation in 77th Annual Meeting of the USA - Canadian Division of the International Academy of Pathology, Washington, D.C., February 27 - March 4, 1988 (2 Poster Presentations).

Participation in the XVII International Congress of the International Academy of Pathology & 8th World Congress of Academic and Environmental Pathology, Dublin, Ireland, September 4-9, 1988; subject: Benign and malignant lymphoid lesions of the lung in patients with the acquired immunodeficiency syndrome (1 Poster Presentation).

Participation in 78th Annual Meeting of the USA Canadian Division of the International Academy of Pathology, San Francisco, California, March 5-10, 1989 (3 poster presentations).

Participation in the 15th Annual Review and Recent Practical Advances in Pathology, University of Miami School of Medicine and the University of Florida College of Medicine; Fontainebleau Hilton, Miami Beach, Florida, February 19, 1990.

Visiting Professor, Universidad Peruana Cayetano Heredia, Lima, Peru, February 12-23, 1990. Main Topics In Pulmonary Pathology.

Visiting Professor, Mayo Clinic, Scottsdale, Arizona, February 26 - March 2, 1990. Main Topics In Pulmonary Pathology.

Participation at the 79th Annual Meeting of the United States and Canadian Academy of Pathology, Boston, Massachusetts, March 4-9, 1990 (2 poster presentation).

Panelist at the Pulmonary Specialty Conference, 79th Annual Meeting of the United States and Canadian Academy of Pathology, Boston, Massachusetts, March 4-9, 1990.

Participation at the 16th Annual Review and Recent Practical Advances in Pathology presented by the University of Miami School of Medicine and the University of Florida College of Medicine at the Fontainebleau Hilton Hotel of Miami Beach, Florida, January 20, 1991.

Participation at the 80th Annual Meeting of the United States and Canadian Academy of Pathology, March 17-22, 1991, Chicago, Illinois (1 Poster Presentation).

Participation on XVIII Latin American Congress of Pathology and XXVIII Argentinian Congress of Pathology, Buenos Aires, Argentina, October 20-25, 1991. Lecture: Wegener's granulomatosis: Director of Session on Pathology of the Respiratory Tract and Skin.

Participation in the 81st Annual Meeting of the U. S. - Canadian Academy of Pathology in Atlanta, Georgia March 14-20, 1992 (1 poster presentation).

Participation in the 82nd Annual Meeting of the U. S. - Canadian Academy of Pathology, in New Orleans, Louisiana March 13-19, 1993 (1 poster presentation).

Visiting Faculty, Department of the Army, August 14-17, 1996, at William Beaumont Army Medical Center, El Paso, Texas. Subjects: Interstitial Lung Disease, Pulmonary Angiitis and Granulomatosis, Tumors of the Lung and Pleura, and Pulmonary Hypertension.

Participant and Founding Member Of the European Society of Pulmonary Pathologists, Heidelberg, Germany June 3-7, 1997.

Director of Clinico-Pathologic Seminar at the XII Course in Advances in Pulmonary Medicine at Vall D'Hebron Hospital, Barcelona, Spain, February 26, 1998.

Member of the Scientific Committee, 2nd European Congress in Lung Pathology, Madrid, Spain, with Prof. B. Corrin (London), Prof. K. Kayser (Heidelberg) and Prof. W. Travis (Washington).

Faculty at yearly meeting on diagnostic lung pathology at the American Society of Clinical Pathology meeting, New Orleans, LA, 9/25 to 9/28. Topics: interstitial lung disease, pulmonary hypertension.

Participant and lecturer at the XXIII Congress of the international Academy of Pathology, Nagoya, Japan, October 16, to 18, 2000. Subject: abnormal proliferation of bronchial arterial collaterals in chronic obstructive lung disease (presentation of case).

Guest speaker at the 383rd Special Meeting of the Clinical Respiratory Society of Tokyo, Japan on 10/21/00 (with Dr. Eugene Mark of Boston, MA and Dr. Bryan Corrin of London). Subject: Pulmonary Hypertension, clinicopathologic conference in a case of lung lymphoma.

10. SOCIETIES

American Society of Clinical Pathologists

Fellow, College of American Pathologists

International Academy of Pathologists

American Thoracic Society

Latin American Society of Pathology

Central American Association of Pathologists

Peruvian Society of Pathologists

Colombian Society of Pathologists

Honorary Member, Colombian Society of Diseases of the Chest Visiting Professor, Peruvian University Cayetano Heredia, Lima, Peru

Fellow, American College of Chest Physicians

Member of Pulmonary Pathology Society, USA

Reviewer for the following Journals: Science, Thorax, Chest, Cancer Annals of Internal Medicine, Mayo Clinic Proceedings, Southern Medical Journal

13. EDITORIALS

High-Altitude Chemodectoma (by M.J. Saldana et al). Lancet editorial, June 30, 1973 p. 1493.

14. BOOK REVIEWS

155. Review of Carter D, Pathchefskey AS and Mountain CF's book: Tumors and Tumor-like Lesions of the Lung. Modern Pathol, 12:728.

156. Review of C. Brambilla and E. Brambilla's book: Lung Tumors. Fundamental Biology and Clinical Management. Modern. Pathol, 12:728, 1999.

15. Saldana MJ: Review of "Surgical pathology of non-neoplastic lung disease" by Katzenstein AL, and Askin F. Ann Intern Med 98:883, 1983.

15. LETTERS TO THE EDITOR

Saldana MJ, Villaran C, Alhalel B: Sildenafil in the Treatment of Erectile Dysfunction. New Eng J Med, 339:699, 1998 (letter to editor).

Mones JM, Saldana MJ: Diagnosis of Pneumocystis carinii pneumonia. Chest 91:290, 1987 (Letter To The Editor).

Buchsbaum P, Cleary T, Saldana M, Castro A: Immunoperoxidase staining for the serotype-specific demonstration of Legionella pneumophila. New Engl J. Med 304:613, 1981 (letter).

16. PRESENTATIONS

Guest Speaker, Chicago Pathological Society, Chicago, Illinois, April 11, 1966; subject: Production of Pulmonary Vascular Disease in Experimental Hyperkinetic Pulmonary Hypertension.

Guest Speaker at Michael Reese Hospital and Medical Center, Chicago, Illinois, May 19, 1966; subject: Vascular Lesions in Pulmonary Hypertension.

Guest Speaker, Yale University School of Medicine, New Haven, Connecticut, July 7, 1966; subject: "Experimental Hepatic Ischemia".

Speaker, VI Latin American Congress Of Pathology and I Panamerican Meeting of the International Academy of Pathology, San Juan, Puerto Rico, December 10-17, 1967, title: Morphometry of the human placenta.

Guest Speaker, IX Latin American Congress of Angiology, Lima, Peru, October 4-9, 1969; title: The Coronary Vascular Tree in High Altitude Natives: Post-mortem angiography and histologic observations.

Lecturer, Massachusetts General Hospital, Pulmonary Rounds at the Ether Dome, January 5, 1970; subject: High Altitude Lung Disease.

Lecturer, Pulmonary Rounds at the Ether Dome, Massachusetts General Hospital, January 19, 1970; subject: Chemoreceptors and Chronic Hypoxemia.

Guest Lecturer, Laennec Society Philadelphia, Pennsylvania, March 16, 1971; subject: Diffuse Lung Disease.

Guest Speaker, Middle Atlantic Regional Meeting of the College of American Pathologists, Buck Hill Falls, Pennsylvania, May 7, 1971; subject: Hypoxia and Chemodectomas.

Guest Speaker, Pennsylvania Association of Clinical Pathologist Meeting, Pittsburgh, Pennsylvania, May 20, 1972; subject: Clinicopathologic observations in Pigeon breeders' lung.

Lecturer on Interstitial Lung Disease and Occupational Lung Disease, Course #23 (Clinical Syndromes in Chest Medicine) American College of Physicians at the University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania, April 12, 1973.

Lecturer, Meeting of the Pennsylvania Society of Pathologists; College of Physicians and Surgeons of Philadelphia, February 18, 1976; title: Pathology of Paraganglia.

Lecturer, 3rd Annual Review and Recent Practical Advances in Pathology presented by the Departments of Pathology, University of Miami School of Medicine and the University of Florida College of Medicine, Miami Beach, Florida, January 21, 1978.

Lecturer, 4th Annual Review and Recent Practical Advances in Pathology presented by the Departments of Pathology, University of Miami School of Medicine and the University of Florida College of Medicine, Miami Beach, Florida, January 14, 1979.

Guest Lecturer, VII Mexican and Central American Congress of Pathology, Queretaro, Mexico, April 28-May 1, 1979.

Guest Lecturer, Pulmonary Pathology Course, National Institute of Cardiology, Mexico City, Mexico, May 7-12, 1979.

Guest Lecturer, Virginia Society of Pathologists, May 23, 1979; subject: Main Subjects in Pulmonary Pathology.

Lecturer at the 8th Annual Review in Recent Practical Advances in Pathology, University of Miami School of Medicine and University of Florida College of Medicine at the Sheraton Bal Harbour Hotel, Miami Beach, Florida, January 17, 1983.

Guest Lecturer at the Annual Meeting of the Sociedad Medica del Atlantico, January 23, 1983 Barranquilla, Colombia: Main Topics On Lung Pathology.

Lecturer at Seminar on Pulmonary Pathology, South Florida Society of Pathology, May 23, 1983 Miami Florida. Topics On Lung Pathology.

Guest Lecturer, Colombian Congress of Chest Medicine, Medellin, Colombia, Pulmonary Pathology Topics, October 15-20, 1983.

Guest Lecturer, XX Argentinean Congress of Pathology, Buenos Aires, Argentina, November 16-19, 1983 (main topic Pulmonary Pathology).

Presentation of "Pulmonary Findings in Postmortem Examinations of Pediatric Acquired Immunodeficiency Syndrome (AIDS)" (V Annual Reunion of the Latin American Society for Pediatric Investigation, Santiago, Chile, November 8-11, 1987.

Guest Speaker, X Peruvian Congress of Cancer, Lima, Peru, November 15-19, 1987; subject: Breast Cancer.

Guest Speaker, 14th Annual Anatomic Pathology Conference, Florida Society of Pathologists, Contemporary Resort Hotel, Walt Disney World, Lake Buena Vista, Florida, January 21-24, 1988; subject: Pulmonary Pathology Seminar. Presentation of "Pulmonary Findings in Postmortem Examinations of Pediatric Acquired Immunodeficiency Syndrome (AIDS)" (V Annual Reunion of the Latin American Society for Pediatric Investigation, Santiago, Chile, November 8-11, 1987.

Guest Speaker, X Peruvian Congress of Cancer, Lima, Peru, November 15-19, 1987; subject: Breast Cancer.

Guest Speaker, 14th Annual Anatomic Pathology Conference, Florida Society of Pathologists, Contemporary Resort Hotel, Walt Disney World, Lake Buena Vista, Florida, January 21-24, 1988; subject: Pulmonary Pathology Seminar.

Lecturer at the American Osteopathic College of Pathologist's Midyear Tutorial, March 16-18, 1990 at Lake Buena Vista, Florida. Subject: Lung Pathology.

Guest Speaker, V Congress of the Colombian Society of Chest Diseases, 3 lectures and a seminar on lung diseases. Bogota, Colombia, September 29 - October 2, 1993.

Guest Speaker, XXV Panamerican Congress and Latin American Society for Tuberculosis and Respiratory Diseases; subject: 5 lectures on pulmonary pathology, Lima, Peru October 8-12, 1993.

Guest Speaker at the IX Course on Advances in Pulmonary Medicine at Vall D'Hebron Hospital, Barcelona, Spain, February 19-23, 1995.

Guest Speaker at the Catalonian Society of Pathologists in Barcelona, Spain, February 21, 1995. Subject: Vascular Pathology of the Lung.

Guest Speaker at the 1. Andorran - 2nd European International Congress on Lung Cancer, Andorra, February 23-26, 1995.

Guest Speaker at the X Course on Advances in Pulmonary Medicine at Vall D'Hebron Hospital, Barcelona, Spain, February 24-28, 1996.

Guest Speaker at the April bi-annual meeting of the Florida Pediatric Pulmonary Society, April 20, 1996, at Marriott Hotel, Miami International Airport, Miami, Florida. Subject: Congenital Lesions of the Lung.

Guest Speaker, Anatomic Pathology Slide Seminar, Spring Meeting of the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996.

Guest Speaker at the III Course in Clinical Tropical medicine; Alexander von Humboldt Institute of the Peruvian University Cayetano Heredia, Medical School, Lima, Peru, October 22, 1996. Subject: Pulmonary Infections in Patients with AIDS.

Guest Lecturer at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 20-26, 1996. Subject: 5 Lectures on Pulmonary Pathology Subjects.

Guest Lecturer at the XX Congress of the Peruvian Society of Chest Diseases, November 27-29, 1996. Subject: Lung Tumors and Pathology of COPD.

Guest Lecturer at the XI Course in Advances in Pulmonary Medicine at Vail D'Hebron Hospital, Barcelona, Spain. Subject: Seminar and 4 Lectures in Lung Pathology, Barcelona, Spain, February 25-28, 1997.

Guest Lecturer at Hospital General Virgen de Aranzazu, San Sebastian, Spain, March 2, 1997. Subject: Slide Seminar.

Speaker at the Second Meeting of the European Society of Pulmonary Pathology, Madrid, Spain, July, 1998. Subject: Oddities in neoplastic lung disease.

Speaker at the XXII International Congress of the International Academy of Pathology and 13th World Congress of Academic and Environmental Pathology, October 18-23, 1998, Nice (Acropolis), France.

Speaker at the Pulmonary Pathology Meeting and Medical Symposium in conjunction with Duke University School of Medicine, Grove Park Asheville, North Carolina, August 25-27, 1999.

Guest speaker at the 14th meeting on Pulmonary diseases at Vall D'Hebron Hospital of Barcelona, Spain, February 14-18, 2000. Topics: lung cancer, interstitial lung disease.

Guest speaker at international meeting on pulmonary disease, Peruvian University, Cayetano Heredia, Lima, Peru, 6/5/00 to 6/12/00, Lima, Peru. Topics: lung cancer, COPD, angiitis and granulomatosis of the lung.

Guest speaker at the yearly meeting of New York University Course on Advances in Pathology ("From Head to Toe"). New York, NY, 9/11/00. Topics: interstitial lung disease, lung cancer.

Guest lecturer at the yearly meeting on pathology advances at the Hospital Aranzazu, October 5 to 10, 2000, San Sebastian, Spain. Topics: lung cancer, interstitial lung disease, angiitis and granulomatosis of the lung, pulmonary hypertension.

Guest Lecturer Classification and Pathogenesis of Lung Cancer. Hospital Aranzazu 10/15/00, San Sebastian, Spain. A pathologist view at interstitial lung disease. Presented at Hospital Aranzazu, 10/16/00, San Sebastian, Spain.

The development of hypertensive vascular disease. Presented at Hospital Aranzazu, 10/7/00, San Sebastian, Spain. Guest lecturer at the yearly meeting on pathology advances at the Hospital Aranzazu, October 5 to 10, 2000, San Sebastian, Spain. Topics: lung cancer, interstitial lung disease, angiitis and granulomatosis of the lung, pulmonary hypertension.

Guest Lecturer Classification and Pathogenesis of Lung Cancer. Hospital Aranzazu 10/15/00, San Sebastian, Spain. A pathologist view at interstitial lung disease. Presented at Hospital Aranzazu, 10/16/00, San Sebastian, Spain.

The development of hypertensive vascular disease. Presented at Hospital Aranzazu, 10/7/00, San Sebastian, Spain.

Guest Speaker, Department of Internal Medicine, Baylor University College of Medicine, Houston, Texas; January 18, 1965; subject: Pathology of the Pulmonary Circulation at High Altitude.

Guest Lecturer, Fifty-fifth Annual Meeting of the International Academy of Pathology, Cleveland, Ohio, March 6, 1966; title: Pathology at High Altitude.

Presentation: Solid variant of bronchioloalveolar carcinoma composed of Type II Pneumocytes ("Pulmonary Alveolar Cell Carcinoma"). Pulmonary Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Papillary Clara cell carcinoma. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Mucous gland adenoma and coexisting adenocarcinoma with "intestinal" features. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Lymphoepithelioma-like carcinoma of lung. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Metastatic adenoid cystic carcinoma originating in uterine cervix. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Bronchocentric granulomatosis. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Benign lymphocytic angiitis and granulomatosis. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Allergic granulomatosis and angiitis (Churg-Strauss Syndrome) without granulomas. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Metastasizing leiomyomas with coexisting sarcoidosis. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Alveolar adenoma. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Pulmonary blastoma. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Presentation: Malignant paraganglioma of lung. Pathology Seminar at Yale University, New Haven, CT, April 26, 1990.

Lecture: Wegener's Granulomatosis. XVIII Latin-American Congress and XXVIII Argentinean Congress of Pathology, Buenos Aires, Argentina October 21, 1991.

Lecture: Pulmonary angiitis and granulomatosis. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia September 29, 1993.

Lecture: Interstitial Lung Disease. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia September 30, 1993.

Lecture: Pathology of Common Lung Tumors. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia October 1, 1993.

Seminar on Lung Pathology. Discussion of 10 selected cases of difficult diagnosis. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia October 2, 1993.

Lecture: Pathology of the Pulmonary Circulation. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia October 2, 1993.

Lecture: Pulmonary Pathology in AIDS. V Annual Meeting of the Colombian Society of Chest Diseases. Bogota, Colombia October 3, 1993.

Lecture: Rare tumors of the lung. XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru, October 8, 1993.

Pathology of Mesothelioma. Lecture at the XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru October 8, 1993.

Pathology of the Pulmonary Circulation. Lecture at the XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru October 9, 1993.

Pulmonary Pathology in AIDS. Lecture at the XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru October 9, 1993.

Angiitis and Granulomatosis of the Lung. Lecture at the XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru October 10, 1993.

Lecture: Rare interstitial lung disorders. XXV Panamerican Congress and Meeting of Latin American Society of Chest Diseases, Lima, Peru October 11, 1993.

Lecture: Vascular Diseases of the Lung. Guest speaker, Venezuelan Society of Chest Diseases meeting, Maracaibo, Venezuela, October 12, 1994.

Lecture: Common and Uncommon Lung Tumors. Guest speaker, Venezuelan Society of Chest Diseases, Maracaibo, Venezuela, October 12, 1994.

Lecture: Pulmonary Pathology in AIDS. Guest speaker at the Venezuelan Society of Chest Diseases. Maracaibo, Venezuela, October 13, 1994.

Lecture: Pulmonary Angiitis and Granulomatosis. Guest speaker, Catalan Society of Pathologists. Barcelona, Spain, February 21, 1995.

Lecture: Histopathologic Classification of Lung Cancer. Guest speaker at I Andorran and European International Congress on Lung Cancer, Andorra, February 23, 1995.

Lecture: Rare Lung Tumors. Guest speaker at I Andorran and European International Congress on Lung Cancer. Andorra, February 24, 1995.

Lecture: Pathology of Pulmonary Vasculitides. Guest speaker, Hospital Santa Clara, Bogota, Colombia, June 1, 1995.

Lecture: Pulmonary Alveolar Proteinosis. Guest speaker, Hospital Santa Clara, Bogota, Colombia, June 1, 1995.

Lecture: Pathology of Bronchiolitis. Guest speaker, Hospital Santa Clara, Bogota, Colombia. June 1, 1995.

Lecture: Diffuse Alveolar Hemorrhage in Wegener's Granulomatosis. Guest speaker, Hospital Santa Clara, Bogota, Colombia. June 2, 1995.

Lecture: Pulmonary Alveolar Microlithiasis. Guest speaker, Hospital Santa Clara, Bogota, Colombia. June 2, 1995.

Lecture: Pathology of Common Lung Tumors. Guest speaker, Universidad Central de Venezuela, Caracas, Venezuela. November 15, 1995.

Lecture: Pathologic Diagnosis of Rare Lung Tumors. Guest speaker, Universidad Central de Venezuela, Caracas, Venezuela. November 16, 1995.

Lecture: Uncommon Lung Tumors. Guest speaker, Universidad Central de Venezuela, Caracas, Venezuela. November 16, 1995.

Lecture: Pulmonary Vasculitis. Guest speaker, Universidad Central de Venezuela, Caracas, Venezuela. November 17, 1995.

Lecture: Histopathology of Bronchiolitis. Guest speaker, Universidad Central de Venezuela, Caracas, Venezuela. November 17, 1995.

Lecture: Pathology of Chronic Obstructive Pulmonary Disease. Guest speaker, Peruvian Society of Respiratory Diseases, III International Symposium on Advances in Respiratory Medicine. December 1, 1995, Lima, Peru.

Lecture: Pathology of Interstitial Lung Diseases. Guest speaker, Peruvian Society of Respiratory Diseases, III International Symposium on Advances in Respiratory Medicine. December 2, 1995, Lima, Peru.

Lecture: Vascular Diseases of the Human Lung. Guest speaker, Peruvian Society of Respiratory Diseases, III International Symposium on Advances in Respiratory Medicine. December 2, 1995, Lima, Peru.

Lecture: Usual Lung Tumors: Pathology and Classification. Guest speaker at the X Course in Advances in Pneumonology at Vall D'Hebron University Hospital, Barcelona, Spain. February 19, 1996.

Lecture: Unusual Lung Tumors. Guest speaker at the X Course in Advances in Pneumonology at Vall D'Hebron Hospital, Barcelona, Spain. February 19, 1996.

Lecture: Pulmonary Angiitis and Granulomatosis. Guest speaker at the X Course in Advances in Pneumonology at Vall D'Hebron Hospital, Barcelona, Spain. February 20, 1996.

Lecture: Pathology of Interstitial Lung Diseases: Overview and Classification. Guest speaker at the X Course in Advances in Pneumonology at Vall D'Hebron University Hospital, Barcelona, Spain. February 20, 1996.

Lecture: Lung Pathology in AIDS. Guest speaker at the X Course in Advances in Pneumonology at Vail D'Hebron University Hospital, Barcelona, Spain. February 21, 1996.

Lecture on Lung Cancer at the Department of Radiation Oncology, University of Miami Sylvester Comprehensive Cancer Center, April 18, 1996, Miami, Fl.

Lecture: Congenital Lesions of the Lung. Guest speaker at the April biannual meeting of the Florida Pediatric Pulmonary Society, April 20, 1996, Miami, Fl.

Guest speaker at the Anatomic Pathology Slide Seminar, Spring meeting of the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996. Subject: Atypical pneumocystic Carinii infection.

Guest speaker at the Anatomic Pathology Slide Seminar, Spring meeting for the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996. Subject: Wegener granulomatosis.

Guest speaker at the Anatomic Pathology Slide Seminar, Spring meeting of the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996. Subject: Allergic Angiitis and Granulomatosis associated with synovial sarcoma.

Guest speaker at the Anatomic Pathology Slide Seminar, Spring meeting of the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996. Subject: The association of mucoid impaction of bronchus with bronchocentric granulomatosis and eosinophilic pneumonia in an asthmatic patient.

Guest speaker at the Anatomic Pathology Slide Seminar, Spring meeting of the American Society of Clinical Pathologists, Boston, Massachusetts, April 25, 1996. Subject: Pulmonary alveolar microlithiasis.

Lecture: Interstitial Lung Disease. Presented at William Beaumont Army Medical Center, El Paso, Texas, August 14, 1996.

Lecture: Pulmonary Angiitis and Granulomatosis. Presented at William Beaumont Army Medical Center, El Paso, Texas, August 15, 1996.

Lecture: Tumors of the Lung and Pleura. Presented at William Beaumont Army Medical Center, El Paso, Texas, August 16, 1996.

Lecture: Pulmonary Hypertension. Presented at William Beaumont Army Medical Center, El Paso, Texas, August 17, 1996.

Lecture: The histogenesis of Common Lung Tumors. Presented at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 22, 1996.

Lecture: The pathology of chronic obstructive lung disease. Presented at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 23, 1996.

Lecture: Classification and characteristics of Interstitial Lung Disorders. Presented at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 24, 1996.

Lecture: Pulmonary Vascular Disease. Presented at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 24, 1996.

Lecture: Pulmonary Pathology in AIDS. Presented at the XV Congress of the Peruvian Society of Pathologists, Lima, Peru, October 25 1996.

Pulmonary Pathology in AIDS. Lecture at the Gorgas Course in Clinical Tropical Medicine at the Alexander von Humboldt Institute of the Peruvian University Cayetano Heredia, Lima, Peru, October 26, 1996.

Lecture: Common and uncommon tumors of the Lung. Presented at the XX Congress of the Peruvian Society of Chest Diseases, Lima, Peru, November . 27, 1996.

Lecture: Chronic Obstructive Lung Disease. Presented at the XX Congress of the Peruvian Society of Chest Diseases, Lima, Peru, November 28,1996.

Lecture: Interstitial Lung Disorders. Presented at the XX Congress of the Peruvian Society of Chest Diseases, Lima, Peru, November 29, 1996.

Lecture: The Pathology of Acute Respiratory Insufficiency. Guest speaker at the XI Course in Advances in Pneumology, VallD'Hebron Hospital, Barcelona, Spain, February 26, 1997.

Lecture: The Pathology of Interstitial Pneumonia. Guest speaker at the XI Course in Advances in Pneumology at VallD'Hebron Hospital, Barcelona, Spain, February 27, 1997.

Lecture: Lung cancer. Guest speaker at the XI Course in Advances in Pneumology at VallD'Hebron Hospital, Barcelona, Spain, February 27, 1997.

Pathologic discussion of 8 cases of unknown diagnosis presented by members of the Catalonian Society of Pathology at the XI Course in Advances in Pneumology at VallD'Hebron Hospital, Barcelona, Spain, February 28, 1997.

Clinico-Pathologic discussion of 10 cases of pulmonary pathology of difficult diagnosis at the Hospital Virgen de Aranzazu, San Sebastian, Spain, March 2, 1997.

Lecture: Usual forms of lung cancer. Department of Pathology, Mount Sinai Medical Center, Miami Beach, Florida, March 3, 1997.

Saldana MJ, "Rare Lung Tumors." Presented at the Second European Congress of Pulmonary Pathology, July 14, 1998, Madrid, Spain.

Practical approach to the pathologic diagnosis of interstitial lung disease: Lecture to South Florida Society of Pathology, Miami, FL, 2/14/00.

Lecture: Vasculitis and Granulomatosis. Conceptos anatomo-patologicos. Presented at the XVI Curso de Avances en Neumologia, Hospital Vall'd'Hebron, Barcelona, Spain, 2/28/02.

"Pulmonary Findings in Children with the Acquired Immunodeficiency Syndrome" at the IV International Conference on AIDS, Stockholm, Sweden, June 12-18, 1988 (1 Poster Presentation).

The pathogenesis of pulmonary vascular disease. Lecture at New York University course on Advance in Pathology, New York, NY, 9/11/00.

"Diffuse alveolar damage and bronchiolitis obliterans". Lecture at the American Society of Clinical Pathology Course on Surgical Pathology of the lung, New Orleans, LA, 9/25/00.

Pulmonary Hypertension. Lecture at the American Society of Clinical Pathology Course on Surgical Pathology of the lung, New Orleans, LA 9/27/00.

Abnormal proliferation of bronchial arterial collaterals in COPD. Presented at the XXIII Congress of the International Academy of Pathology, Nagoya, Japan, 10/16/00.

Pulmonary Hypertension. Presented at 383rd Special Meeting of the Clinical Respiratory Society of Tokyo, Japan on 10/21/00.

Saldana, Mario J. Benign Lymphocytic Angiitis and Granulomatosis of the Lung: A lesion to be distinguished from Wegener's granulomatosis and Lymphocytic lymphoma. Pulmonary Pathology Meeting and Medical Symposium , Asheville, North Carolina. August 25-17, 1999. Syllabus, page 190.

Histogenesis and pathogenesis of lung cancer. Lecture at 14th meeting on Advances in Pulmonary Medicine and Pathology at Vall D'Hebron Hospital, Barcelona, Spain, 2/15/00.

Classification of Interstitial Lung Disease. Lecture at Course On Advances in Pulmonary Medicine and Pathology at VallD'Hebron Hospital, Barcelona, Spain, 2/16/00.

Classification of lung tumors. Lecture at international meeting on pulmonary diseases at Cayetano Heredia Medical School, Lima, Peru, 6/6/00.

The pathology of chronic obstructive pulmonary disease (COPD). Lecture at international meeting on pulmonary diseases at Cayetano Heredia Medical School, Lima, Peru, 6/7/00.

Angiitis and Granulomatosis of the lung. Lecture at international meeting on pulmonary diseases at Cayetano Heredia Medical School, Lima, Peru, 6/8/00.

Pathologic classification of Interstitial Lung Disease. Lecture at New York University Course in Advances in Pathology, New York, NY, 9/11/00.

Saldana, MJ: New Concepts in Lung Cancer. The 15th Annual Review and Recent Practical Advances in Pathology presented by the University of Miami School of Medicine and the University of Florida College of Medicine, January 29 - February 2, 1990. Official Program.

Saldana MJ: Controversies in Pulmonary Pathology. The 15th Annual Review and Recent Practical Advances in Pathology, presented by the University of Miami School of Medicine and the University of Florida . College of Medicine, January 29 - February 2, 1990. Official Program.

Saldana MJ: Pulmonary Manifestations of AIDS. 16th Annual Review and Recent Practical Advances in Pathology, University of Miami School of Medicine and the University of Florida College of Medicine, Miami Beach, Florida. January 20-25, 1991. Official Program.

Limited Form of Wegener's Granulomatosis. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology -American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program p 45.

Bronchocentric Granulomatosis. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology - American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program pp 47-48.

Rheumatoid Nodules in Lung. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program pp 49-50.

Pathologic risk factors in resectable breast carcinoma. Proceedings of the X Peruvian Congress of Cancer, Lima, Peru, November 15-19, 1987, pp 49-50, 1987.

Saldana MJ: Plexogenic pulmonary hypertension in kyphoscoliosis. Presented at the 14th Annual Anatomic Pathology Conference, Florida Society of Pathologists. Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Bronchiolitis obliterans and interstitial fibrosis of the lung. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Mesothelioma of the pleura. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Lymphomatoid Granulomatosis. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Malignant lymphoma of the lung with granulomatous vasculitis. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Plasma cell granuloma of the lung. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Carcinosarcoma of the lung. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Saldana MJ: Benign clear cell ("Sugar" tumor) of lung with pleomorphic features. Presented at the 14th Anatomic Pathology Conference, Florida Society of Pathologists, Lake Buena Vista, Florida, January 23, 1988. Official Program.

Lymphomatoid Granulomatosis. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology - American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program.

Lymphocytic Interstitial Pneumonitis. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology - American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program p 43.

Necrotizing Sarcoid Granulomatosis. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology -American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program p 44.

Saldana MJ, Whittenbury J, Aranguri M: Estimates of villous surface area and thickness of the placenta exchange membrane by electron microscopy. First Panamerican Meeting of the International Academy of Pathology; San Juan, Puerto Rico, December 10-17, 1967. Official program, p 17.

Saldana MJ, Mones JM, Scott GB, Fischl MA. Lymphoid Interstitial Pneumonia in the Acquired Immunodeficiency Syndrome. International Conference on Acquired Immunodeficiency Syndrome (AIDS). Atlanta, Georgia, April 14-17, 1985. Official Program, p. 39.

Saldana MJ, Mones JM, Beattie E: Papillary Clara cell tumors of the lung. Fourth World Conference on Lung Cancer. Toronto, Canada, August 25-30, 1985, Official Program, p. 12.

Ferreiro JE, Mitrani AA, Saldana MJ: Takayasu's Arteritis with Subcutaneous Nodules of Rheumatic Fever. An International Colloquy of Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract, May 7-9, 1986, Mayo Clinic, Rochester, Minnesota; Official Program.

Saldana MJ, Roberts A, Mitrani AA, Ferreiro JE, Kramer HJ: Necrotizing Sarcoid Granulomatosis followed by disseminated systemic vasculitis. An International Colloquy on Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract; May 7-9, 1986, Mayo Clinic, Rochester, Minnesota; Official Program.

Ferreiro JE, Mitrani AA and Saldana MJ: Allergic Angiitis and Granulomatosis (Churg-Strauss syndrome) without pulmonary infiltrates or eosinophilia. An International Colloquy on Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract; May 7-9, 1986, Mayo Clinic, Rochester, Minnesota, Official Program.

Mitrani AA, Ferreiro JE, Saldana MJ: Polyarteritis nodosa masquerading as embolic phenomena from an abnormal mitral valve. An International Colloquy on Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract; May 7-9, 1986, Mayo Clinic, Rochester, Minnesota; Official Program.

Saldana MJ, and Israel HL: Benign Lymphocytic Angiitis and Granulomatosis: Does it exist? An International Colloquy on Wegener's Granulomatosis and other Vasculitides of the Respiratory Tract: May 7-9, 1986, Mayo Clinic, Rochester, Minnesota; Official Program.

Saldana MJ: Angiitis and Granulomatosis of the Lung: An update. Current Concepts in Pulmonary Pathology: A Harvard Medical School Course at the Massachusetts General Hospital, October 20-24, 1986. Official Program.

Saldana MJ: Unusual Pulmonary Responses in patients with AIDS: Lymphoplasmacytic interstitial pneumonia (LIP), Kaposi's sarcoma and unusual pulmonary infection. Current Concepts in Pulmonary Pathology; A Harvard Medical School Course at the Massachusetts General Hospital, October 20-24, 1986. Official Program.

Saldana MJ: Pulmonary Pathology in Drug Addicts: Current Concepts in Pulmonary Pathology; A Harvard Medical School Course at the Massachusetts General Hospital, October 20-24, 1986. Official Program.

Saldana MJ: Oddities in neoplastic lung pathology. Current Concepts in Pulmonary Pathology; A Harvard Medical School Course at the Massachusetts General Hospital, October 20-24, 1986. Official Program.

Primary Pulmonary Lymphoma. Presented at "Seminar in Pulmonary and Mediastinal Diagnosis", Armed Forces Institute of Pathology - American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program.

Pseudolymphomas of the Lung. Presented at "Seminar in Pulmonary and Mediastinal diagnosis", Armed Forces Institute of Pathology - American Registry of Pathology; Washington, D.C., October 6-9, 1986. Official Program.

Saldana MJ, Mones JM, Fischl MA, Dickinson GM, and Oldham SA. The Natural History of Treated Pneumocystis Carinii Pneumonia. International Conference of Acquired Immunodeficiency Syndrome (AIDS). Atlanta, Georgia. April 14-17, 1985 Official Program, p. 77.

Lecturer in "Fundamental and Clinical Aspects and Internal Medicine", Sixth Annual Review Course for Certification in Internal Medicine, University of Miami School of Medicine, Department of Medicine, Miami Beach, Florida, August 8, 1979.

Guest speaker and panelist at the XV International Congress of the International Academy of Pathology - 6th World Congress of Academic and Environmental Pathology, Miami Beach, Florida, September 2-7, 1984.
